***A simple prayer for the coming week:***

Lord Jesus, we get confused into thinking that the good news is another technique for getting what we want out of God; give us this, give us that.

By your gracious work and word among us, help us to see that your particular good news is how God gets out of us what God wants from us. Help us to see that through your work among us, God is getting down what God wants—by healing, empowering, calling people like us to do His will. Amen.

Welcome to St. Andrew's Episcopal Church. We are pleased you are with us this morning as we worship and praise the Living God.
