Gospel Theme This Week

Christianity is training in the art of dependency. We are those who know our dependence upon God's grace and upon our neighbor's help. We are also those who, having acknowledged our dependency, seek to be helpful to those who are in need of our help. In a world that values independence and self-help, Christianity is a faith that, inspired by the example of Jesus, cultivates dependency and admission of need.

Prayer For The Week

Almighty God, you have given us the gift of your love, your redemption, and your salvation. Help us to remember our need and our great gratitude to you. And through that recognition, enable us to be givers to others. Give us the grace to ask for help when we need it and help us to give when we are asked, and as generously and graciously as you have given to us. We ask this through Christ our Lord. Amen.

Welcome to St. Andrew's Episcopal Church. We are pleased you are with us this morning as we worship and praise the Living God.

Having been fed through God's Word and Sacrament, join us for refreshments in the Commons following the service, so that we may introduce ourselves and our faith community to you.
