Going Deeper Into God's Word

"I wish more folks would come to church on Sunday mornings," I recently said to a friend.
"Oh, I wouldn't be so hard on yourself" my friend replied. I've heard a few of your sermons before. I think it's amazing you can write as many as you do."
"Thanks," I said.
"Look," he said, "the people in your parish are smart people"
"Which means?"
"It means they are smart enough to figure out that if they come to St. Andrew's, and if they hear their name called in a sermon, and if Jesus decides to get involved in their lives, their lives will become more difficult."

Welcome to St. Andrew's Episcopal Church. We are pleased you are with us this morning as we worship and praise the Living God.

Having been fed through God's Word and Sacrament, join us for refreshments in the Commons following the service, so that we may introduce ourselves and our faith community to you.
