INTERNSHIP

Starting in 1988 with just a few acres, Vandemark Sod Farm expanded quickly and is now a primary supplier to Wake County and the surrounding area. For 35 years, our family-owned business has enjoyed a reputation for top sod quality, selection and service. Our main product is natural turf which we provide to the landscaping industry, athletic fields and golf courses throughout the Triangle and North Carolina. We grow, harvest and ship six types of turfgrass from our Whitakers and Spring Hope locations.

JOB DESCRIPTION AND RESPONSIBILITIES:

Applicants must have a strong work ethic, willingness to learn, and be dependable. Interns will be exposed to all aspects of sod farm operations including but not limited to sod production, sprigging, mowing, fertilizing, spraying, calibration and irrigation. In addition interns will also have the opportunity to learn harvest operations and other farm operations they may be interested in.

- Sod production including cultivation and planting
- Use of chemicals in weed and disease management
- Irrigation use, management and repair
- Various projects (soil mapping, light traps, new software implementation, etc.)

SKILLS/REQUIREMENTS

- Farm experience/turfgrass management experience preferred
- Ability/Willingness to operate tractors (60-125 horsepower)
- We're willing to train the right candidate who has a positive attitude and solid work ethic

EMPLOYMENT DATES/PAY

- Start date is negotiable.
- \$17 hour
- 40+ hours a week
- Opportunities for Full Time positions
