***Going Deeper Into God's Word***

In God's promised kingdom, even small human actions, even a few human words, can be used by God in God's continuing reclamation of God's world. Though we do not always understand how, God works behind the scenes to accomplish God's purposes for humanity. Part of the good news of Jesus Christ is that the fate of the world is not left solely up to us. Our actions are not the only actions in the world; God acts, taking the seeds of our words and deeds and enabling them to take root and to produce fruit.

Welcome to St. Andrew's Episcopal Church. We are pleased you are with us this morning as we worship and praise the Living God.

Having been fed through God's Word and Sacrament, join us for refreshments in the Commons following the service, so that we may introduce ourselves and our faith community to you.
